

The Marcie Stewart Memorial Scholarship Application

Academic Year 2017-2018

(\$750 per year)

Students who meet the following criteria are invited to apply for this new scholarship in memory of Marcie Stewart—a CSUDH alumna who majored in mathematics and taught for the department.

Eligibility: To qualify for this scholarship the student must:

1. Be an undergraduate STEM major,
2. Have an overall college GPA of at least 3.0.

*Note: Female students majoring in Mathematics or Science are strongly encouraged to apply, including women who have had a pause in their college careers.

Application Procedure

1. Write a two-page personal statement of academic and professional career aspirations and goals. You may address how you decided to major in mathematics or science and what career you expect to have. Also include an explanation about why you chose to become a math or science major.
2. Request a letter of reference from a STEM department faculty member. The instructions to the faculty member will be part of the application packet.
3. Submit unofficial transcripts with your application.
4. Submit the completed application form, unofficial transcripts, and personal statement to the Mathematics Department Office **NO LATER THAN 5:00 PM ON APRIL 20, 2017**.

The announcement of the winner of the \$750 scholarship for the 2017-2018 academic year will be made by the end of the semester. It will be based on academic performance and promise. A student may receive the scholarship a maximum of two times. Students should be aware that this scholarship may alter their financial aid package.

Please print or type all information.
